[Event page / enter →](#)

02 Safety first

Competitors must confirm in advance that they have a **suitable buoyancy aid or lifejacket that meets the required standards**.

ISO 12402-5 (Level 50)

GET READY FOR THE WATER

SAFETY / EQUIPMENT / PRACTICAL INFORMATION

NOR/SI 17.3 - Flotation devices

When flag "Y" is displayed, every competitor shall wear a personal flotation device that shall conform to the minimum standard **ISO 12402-5 (Level 50)**.

We also recommend taking additional safety precautions, such as carrying a **mobile phone in a waterproof pouch**.

Fidlock | Order your pouch when you enter

Fidlock is supporting this event. You can order a waterproof phone pouch when you enter.

For XL smartphones and numerous valuables

- 100% water and sand proof
- Full phone functionality through case
- No interference with electronics and cards
- Lanyard included

Dimensions: 150 × 192 mm

03 Live tracking via Kwindoo

Great for spectators ashore, post-race analysis and safety. We would like to try live tracking of competitors during the race using the **Kwindoo** app. More information on how we plan to use it will follow soon. kwindoo.com

04 Brouwersdam harbour

We have permission to use the small harbour at Zeil- en Surfcentrum Brouwersdam during the event. Mussels, the ground and the banks may be slippery, sharp or uneven in places. **We strongly recommend wearing windsurfing boots or other suitable water shoes.**

Windsurfer parking

We would like to create a dedicated windsurfer parking area so that competitors can park their vans, trailers or cars together as much as possible.

Windsurfers do it Standing Up!
